BESA
BUILDING ENGINEERING
SERVICES ASSOCIATION

Sponsorship opportunities

The Building Engineering Services Association (BESA) has been the leading organisation for building services contractors since 1904.

Its membership represents all the specialist areas of building engineering services – and its staff provide up-to-date and valued business and technical guidance to members and the wider industry.

BESA is recognised as a leading voice and influencer in the industry with significant media and stakeholder reach.

Sectors included:

Domestic & commercial plumbing, pipework and plant, ductwork, refrigeration and air conditioning, heat pump, service & facilities.

Companies included:

Aecom, Arup, BDP, CBRE, Daikin, Energy Services and Technology Association, Fire Protection Association, Green Heat, HE Simm, ISG, Joblogic, Kier Construction, Laing O'Rourke, Mitie, NG Bailey, Panasonic, Quintex Systems, RJS Ventol, SES Engineering, T Clarke, University of St Andrews, Ventilation Hygiene Solutions, Wolseley.

Why sponsor/exhibit?

Build your companies brand awareness and be involved in the extensive 6-month marketing campaign, which leverages our strong relationships with trade media and associations as well as our industry leading Your BESA magazine.

Be a thought leader taking a place on a panel or lead a topic focused presentation. Join our programme and be part of inspiring and thought-provoking content.

Getting involved in this industry event gives you the chance to gain valuable lead generation and get access to key players from the sector. All sponsors will get access to key networking opportunities with morning, lunch and afternoon networking sessions and timely breaks between each panel or presentation. Delegate networking will be incentivised to allow exhibitors to help gain valuable leads and build meaningful relationships.

BESA Annual Conference

BESA Industry Awards

Following our regional awards, the atmosphere at last years awards was electric and welcomed its first live band which went down a storm. We excited to offer you the opportunity to be involved in another fantastic evening celebration and entertainment. With your help, we look forward to bringing you an even bigger and better event!

The awards finals night hit an all-time high in 2022 with over 400 guests, which included apprentices, engineers, consultants, manufacturers plus many more.

- **BESA Wales Awards Dinner – 20 May**
- **BESA North East Awards Dinner – 16 June**
- **BESA North West Awards Dinner – 24 June**
- **BESA Scotland Awards – 30 June**
- **London, South East and Midlands Awards – 13 July**
- **BESA Yorkshire Awards – 20 July**
- **BESA Industry Awards Gala Dinner – the finals – 12 October**

Why sponsor?

With a captive audience of key decision makers, the BESA Industry Awards offer a unique opportunity to position yourself in front of the very people who will drive your business forward!

Just some of the benefits of sponsoring the BESA Industry Awards include:

- Build and strengthen your brand and establish your company as a market leader in the minds of business influencers.
- Gain unprecedented exposure through our extensive marketing campaign and Your BESA magazine.
- Provide recognition and accreditation to the hard work and commitment offered by those that enter to win your sponsored category
- Align your company to an Award that brings together the best of building services and show your support to the apprentices, companies and individuals nominated.
