[^]This comparison to other products in the market is based on Bupa's and Defaqto's interpretation of the differences between Bupa's Corporate Select product and other health insurance products offering mental health cover in the market in February 2022. The comparison excludes any special offers or promotions which may temporarily alter the cover offered. This cover comparison information is for personal use and guidance only and does not constitute any contractual representation, warranty or obligation by either Bupa or Defaqto about the completeness, accuracy, reliability, suitability or availability of the comparison. Neither party accepts any liability for errors, omissions, direct or consequential loss in relation to this comparison.

[†]You must inform the dentist you have Bupa dental insurance and provide your membership number prior to your appointment to benefit from this offer. 10% or 20% discounts are available depending on the practice. To find the selected Bupa owned and approved centres where this offer is available, see finder.bupa.co.uk and search the Bupa Dental Insurance Network. Discount excludes lab fees and specialist treatment and cannot be used against NHS and Bupa Dental Essentials services. Discount cannot be used in conjunction with any other discount.

[‡]In cases where treatment can be completed within six months, we will continue to authorise and fund treatment even if the consultant or hospital is not normally Bupa recognised, and continue to cover impairments and treatment that may not normally be eligible under the Bupa policy. If treatment cannot be completed within six months, we will work with the patient and their consultant to transfer, where appropriate, to an eligible provider or NHS facility within an appropriate timescale.

[†]With Bupa cancer cover there are no time limits. All eligible treatment costs and evidence-based breakthrough cancer drugs and treatments are paid in full for as long as your employee has Bupa health cover. Employees will need to check their certificate or guide to see which specific list of advanced therapies has been selected as it may not cover all advanced therapies. Your employees will need to use a hospital or clinic from the Bupa network that applies to their cover and a Bupa recognised consultant who will charge within our rates (a fee-assured consultant).

[‡]Direct Access telephone services are available as long as the symptoms are covered under the policy. If your employee's cover excludes conditions they had before their policy started, we'll ask them to provide evidence from their GP that their symptoms are not pre-existing for a period of up to two years after their cover started or up to five years in the case of mental health. For rolling moratorium underwritten policies we will ask for evidence each time they claim for a condition not claimed for before. They should
